

Dear Caring Neighbor:

We are currently taking applications for REPAIR AFFAIR 2010. New Directions Housing Corporation began its Repair Affair Program in 1993. Since then the program's mission has been *to mobilize community-wide resources and volunteers to support the housing repair needs of elderly and disabled homeowners of low income.* **Volunteer** teams from local corporations, service and social organizations, congregations and individuals work to complete home repairs including wheelchair ramps, handrails/grab-bars, flooring, steps, locks, door/window repair, minor mechanical repairs, exterior/interior painting, yard-work, clean-up, etc.

Repair Affair ***is not*** re-decorating, remodeling or total rehab.

We stress safety, security, accessibility, maintenance and weatherization.

Funding for the program comes from municipalities, corporations, foundations, congregations, and individuals. Many teams sponsor their own materials.

Repair Affair helps people that...

- Own and live in a single family home
- Are at least 60 years of age or certified as disabled
- Qualify as low income

2010 Event Dates: Sat. June 5th (So. Indiana)
Sat. June 12th (Louisville Metro)

Volunteers may also choose to work on an alternate date YEAR-ROUND!

Homeowner applications are taken by phone, in-person, and fax January – March each year.
Call: 502-719-7143 or 812-949-8238 ext. 143 between 8:00am-4:00pm – Monday through Friday.

Repair Affair is simply neighbor helping neighbor

Nearly 1500 Volunteers repair 150 homes each year!

- Projects are matched to a volunteer team's skill-sets.
- Teams inspect and approve the projects in advance so there are few surprises.
- Once sponsorship is secured, Teams are free to purchase necessary materials.
- Repair Affair supplies drinks, lunch, t-shirts and can help with ladders, etc.

Repair Affair welcomes Volunteers and Sponsors!

No matter what your level of skill – we have a project for you!
